CO-CAMP DIRECTORS

ALISHA BREEN

Alisha just completed her fifth year as the Associate Head Women's Basketball Coach of the Yellowjackets where she served as our defensive and scouting coordinator, while also being involved in every

other aspect of our program. Alisha was recently honored with a WBCA Thirty Under 30 award to honor 30 of the top up-and-coming women's basketball coaches age 30 and under in sport at all levels of the game. According to Coach Woodin, "Alisha is an amazing coach, she truly cares about her players on and off the court and has a work ethic second to none. Her improvements as a coach over the past five years have been impressive and her skills have directly helped our program to be so successful on and off the court." Alisha has coached numerous years of basketball camps and annually directs her own summer co-ed basketball camp in her hometown of Choteau, MT. In 2017-2018, Alisha was the GNAC and West Region Player of the Year and a first-team All-American. During her college career, MSUB won two GNAC titles, finished GNAC runner-up once, won a NCAA West Regional Championship and advanced to the NCAA Elite 8 for only the second time in school history. Alisha is the only MSUB player in school history to be ranked in the top 10 in scoring, rebounds, assists, steals, and blocks. Alisha directed and coached one of the top defenses in the GNAC and nation this past season, holding opponents to less than 60 points per game.

KEVIN WOODIN

Kevin has been the Head Women's Basketball Coach at MSUB for 19 seasons. His teams have compiled 316 wins, ranking him first all-time @ MSUB. He has coached 6 All-Americans and nearly

50 All-Conference players. He is a five-time

NCAA College Coach of the Year award winner. Before going to MSUB, Kevin taught Mathematics and coached high school basketball for 17 years where his teams played for 4 state championships, winning 3 of them. During his tenure at MSUB, his teams have won 3 regular season conference championships, 2 conference titles, and one regional championship. The Yellowjackets finished runner-up both in the GNAC regular season and GNAC post season tournament in 2022-2023 advancing to the NCAA West Regionals in California and winning a first round NCAA tournament game. The Yellowjackets posted a 25-8 record last season which tied for the most wins in a single season in school history. The Yellowjackets also advanced to the NCAA Elite 8 in 2017-2018 and the NCAA Sweet 16 in 2013-2014. In addition, MSUB has also been honored 5 times as the top academic women's basketball team in the GNAC and 8 times as a WBCA top 25 academic team during Woodin's tenure.

All MSUB Girls Basketball camps will stress key fundamentals and will provide campers with proper instruction in order to improve. An organized, fun, and competitive atmosphere will be present. The high school camps will focus on advanced position work and

necessary skills designed to improve you for your upcoming high school season. Many former and current Yellowjackets will assist Alisha and Kevin at the camps. All individual campers will receive camp prizes. On campus single or double occupancy room and board is available. Please contact Alisha (406-590-5863) or Kevin (406-591-9592) if you need more information regarding on campus lodging or with their camps in general.

To register for MSUB girls' basketball camps, please go to www.msubcamps.com and click on the appropriate camp or call the MSUB Athletics Office at 406-657-2369 for more information.
