During her college career, MSUB won two GNAC titles and finished GNAC runner-up once and won a NCAA West Regional and advanced to the NCAA Elite 8 for only the second time in school history. Alisha is the only player in MSUB school history to be in the top 10 in scoring, rebounds, assists, steals, and blocks.

KEVIN WOODIN

Kevin has been the head women's basketball coach at MSUB for 21 years. His teams have compiled 369 wins, ranking him first all-time at MSUB. He has coached 8 All-Americans and 53 All-Conference players. He is a 6-time NCAA college conference coach of the year award winner. He taught high school Mathematics and coached seventeen years

of high school basketball where his teams played for 4 state championships, winning 3 of them. During his tenure at MSUB, his teams have won 4 regular season conference championships (most recent – 2023-2024), played for 5 conference

Last year's Yellowjackets won 25 games, going 25-8 overall and advanced to the NCAA West Regional for the third time in a row. It marked MSUB's 6th NCAA post-season appearance in the past 11 seasons and eighth overall during Woodin's tenure. MSUB has also been honored 6 times as the top academic women's basketball team in the GNAC and more than 10 times as a WBCA top 25 academic team out of more than 300 schools while Woodin has been their head coach. All MSUB Girls Basketball camps will stress key fundamentals and will provide campers with proper instruction to improve. An organized, fun, and competitive atmosphere will be present at all camps. The high school camp will focus on advanced position work and necessary skills designed to prepare you for your upcoming high school season and beyond. Many former and current Yellowjacket players, along with other quality coaches will be assisting with the camps.
